

Karl Naumann and Peter Ferrando have joined the board of Aquatec Maxcon reflecting their continued contribution to the company.

Karl joined the company in 1986 as a labourer before moving through a succession of roles as a coating applicator and purchasing officer while completing degrees in mathematics and engineering. He has been involved in a number of major projects including Maroochy Excel Water Alliance, Coffs Harbour WRP Alliance and Water Matters Alliance, Townsville. Karl's appointment is a clear demonstration of the wide range of career paths available within the company.

Peter joined the company in 2001 and has been project manager on a number of major projects including Oxley Creek Stages 1 & 2, Oxley Creek Stages 3 & 4, BWEA Sandgate, BWEA Oxley Creek and BWEA Wynnum, before becoming Alliance Manager for the Brisbane Caboolture Aquifer Alliance, a key part of the drought relief strategy for Southeast Queensland.
